

Arizona Chapter # 40

The Arizona Chapter had its first meeting on March 14, 1972. Starting with 21 members, it averages approximately 100 members. During its 43 year history the Arizona Chapter has made significant contributions to ARMA and RIM.

Mission

To educate our members and collaborate with organizations and individuals in our area, under the guidance of ARMA International, to effectively protect and manage their information assets.

Vision

Provide our membership and community with quality education, programs and networking opportunities.

Monthly Meetings

We meet every third Thursday from September through May. Meeting locations vary and are included in meeting notices.

Meeting Time and Cost

Morning (8 A.M.) meetings begin with a continental breakfast at a low cost of \$10 for our ARMA Arizona Chapter members or \$15 for non-Chapter members.

Payment may be made through PayPal on our website at armaazchapter.org or by cash, check or credit card at the Meeting registration table. NOTE: Credit card processing fee will be applied.

About ARMA International

ARMA International is a not-for-profit professional association and the authority on governing information as a strategic asset.

The association was established in 1955. Its approximately 27,000+ members include records and information managers, information governance professionals, archivists, corporate librarians, imaging specialists, legal professionals, IT managers, consultants, and educators, all of whom work in a wide variety of industries, including government, legal, healthcare, financial services, and petroleum in the United States, Canada, and more than 30 other countries around the globe.

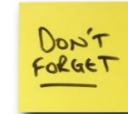

Mission

To provide information professionals the resources, tools, and training they need to effectively manage records and information within an established information governance framework.

Vision

At ARMA International, we recognize that information is a vital asset of every organization. Our vision is to provide leadership in education, research and networking for the benefit of information professionals.
